

Name: _____

RUBRIC: Hansel and Gretel, With a Pinch of Common Sense (MATH)

	Observable Indicators			
	4	3	2	1
Understanding	✓ The solution completely addresses all mathematical components presented in the task.	✓ The solution addresses almost all of the mathematical components presented in the task. There may be minor errors .	✓ The solution addresses some , but not all the mathematical components presented in the task.	✓ The solution addresses none of the mathematical components required to solve the task.
Planning and Execution	✓ Uses an appropriate and complete strategy for solving the problem.	✓ Uses an appropriate but incomplete strategy for solving the problem.	✓ Uses an inappropriate strategy or application of strategy is unclear.	✓ Uses no particular strategy for solving the problem.
	✓ Uses only relevant information.	✓ Uses mostly relevant information.	✓ Uses some relevant information.	✓ Uses irrelevant information.
Communication	✓ There is precise and appropriate mathematical terminology (when creating own problem to solve).	✓ There is effective use of mathematical terminology (when creating own problem to solve).	✓ There is some use of mathematical terminology (when creating own problem to solve).	✓ There is no use , or mostly inappropriate use, of mathematical terminology (when creating own problem to solve).
	✓ Illustrates clear and effective drawings of base-ten blocks.	✓ Illustrates appropriate but incomplete drawings of base-ten blocks.	✓ Limited or misuse of drawings of base-ten blocks.	✓ Does not illustrate drawings of base-ten blocks.
Persistence	✓ Works hard on the task and doesn't need much help .	✓ Works hard on the task and only gets help after having tried many strategies given throughout.	✓ Can do simple parts of the problem with little help .	✓ Needs help , even for simple tasks.
